Dear Lane:

Congratulations on your one-year anniversary with Consumer Reports. I'm pleased and proud to honor this milestone in your service here.

CR has achieved a lot in recent years both in increased impact for consumers and in becoming a stronger organization internally. It's the result of a team of committed staff members working together for our common mission "to work for a fair, just and safe marketplace for all consumers and to empower consumers to protect themselves." Your personal efforts and accomplishments in the Health Initiative-Impact Department have made an important contribution to this success, and it's much appreciated.

So thanks for all you've done, and continue to do, for CR and the consumers we serve. It's great to have you as part of this important institution that's benefiting individual consumers and the public generally in so many ways. And, again, congratulations on your milestone anniversary.

All the best,

  
Jim Guest  
President

*again, Lane, thanks  
you've been hugely  
valuable in so many  
ways.*
